

## NZ TOP HOLIDAY SPOTS

Don't let fickle spring weather fool you - It's time to dust off the folding chairs, air out the musty tent, refuel the gas cooker and go camping.

It's expected that record numbers of holiday - makers will embrace the largely recession - proof Kiwi tradition of camping this summer.

Whether your destination is a Qualmark five - star or a no - frills DOC hideaway, you should book your spot early to avoid disappointment.

We've narrowed down the more than official camping choices to our top 10 picks, which lie from Cape Reinga to Bluff for more information visit:
